

Access/CPN

```
graph LR; A[Access/CPN] <--> B[Simulator];
```

The diagram consists of two rectangular boxes, one on the left and one on the right. The left box contains the text 'Access/CPN' and the right box contains the text 'Simulator'. A horizontal double-headed arrow connects the right side of the left box to the left side of the right box, indicating a bidirectional relationship or communication between the two components.
